

SCHOOL EXCURSIONS THE LEGOLAND WAY!

Inspiration for planning a trip to
LEGOLAND® Discovery Centre Melbourne

INTRODUCING A BRAND NEW EXPERIENCE FOR SCHOOLS!

To ensure we can continue offering awesome COVID-friendly experiences, we are excited to launch an exclusive new concept for schools: the LEGOLAND Discovery Centre Scavenger Hunt!

Students will be challenged to build towers, design race cars, zap the baddies and more in this interactive, curriculum-aligned challenge!

The Student Scavenger Hunt covers multiple areas within the Victorian curriculum including:

- Mathematics
- Design
- HSIE
- English

Add fun, focused and interactive learning to a self-guided tour of LEGOLAND Discovery Centre! Plus you can opt to complete additional educational challenges back in the classroom, building unique lesson content around your visit!
