

# SCHOOL EXCURSIONS

The ultimate school excursion at  
LEGOLAND® Discovery Centre Melbourne!

# WORKSHOPS

LEGOLAND® Discovery Centre has collaborated with LEGO® Education to provide unique, high quality learning experiences.

LEGOLAND® Discovery Centre Facilitates learning through interactive experiences to promote deeper engagement with the subject matter, providing hands-on learning across the curriculum, including science, mathematics, language, arts, technology, and engineering design.

Teachers can choose from 5 different workshops:

- **Wobbly Robotics:** Investigate the effects of balanced and unbalanced forces when building a walking robot; and utilise concepts of coding when making your model come to life!
- **Rover Robotics:** Construct a robotic rover to examine how forces and materials are utilised in design concepts, and develop your coding skills!
- **Spinning Tops:** Perform experiments by developing theories, conducting experiments and collecting data.
- **Seasons:** Students build and share what they know about seasons.
- **Creative Storytelling:** Kick-start creativity and boost storytelling, collaboration and listening skills for your students.

## TWO HOURS OF PLAY-BASED LEARNING

LEGOLAND® Discovery Centre is the ultimate indoor LEGO® playground, where children can enjoy a world of creativity, colour and fun! On a school excursion, students can enjoy two hours of play at 13 attractions and activities:

- 4D cinema
- Kingdom Quest laser ride and Merlin's Apprentice ride
- MINILAND Melbourne made from millions of LEGO® bricks!
- Soft play zones
- Hands-on fun with LEGO® bricks in themed build and play areas where kids' imaginations can run wild with the endless possibilities that LEGO® offers.

# HOW TO BOOK
